OP – Priority Index (Q4, 2018)

- The **Priority Index**[®] identifies the top priorities for the hospital with the greatest impact on the overall satisfaction scores.
- KFSH Outpatient Improvement Opportunities distributes across various domains in the patient journey.
- These items were identified as priorities for 4 consecutive Quarters (Q1 – Q4, 2018)
- Addressing these priorities should be at a corporate level cascaded down to concerned units

IP – Priority Index (2018)

The priority index combines information about your organization's performance and the relative importance of each question to respondents' overall rating. Higher priority is given to those issues that are relatively more important to respondents (higher correlation coefficients) and relatively lower performing (lower percentile rank) for your organization. Questions are listed in decreasing priority.
