SUBJECT: CURRENT COVID-19 TESTING CENTERS AND PRECAUTIONARY MEASURES FOR COVID-19

As part of the precautionary measures for COVID-19, please be informed that five (5) testing centers are available for the required COVID-19 sampling and are open as walk-in 24/7 as follows:

1. Level 7 North Tower for Nursing Affairs
2. Level 8 North Tower for Medical Affairs Group and Academic & Training Affairs employees
3. Old MCO for all other employees
4. 2D Gate for patients and companions
5. Autism Center (near Gate 8) for overflow in other centers

For inpatients and caring nursing staff, sampling will be done by designated nursing staff in their respective clinical care floor.

Please be reminded that testing turnaround time takes several hours and therefore, sampling should be taken earlier enough for the result of the test to be out.

Staff without proof of negative test within the past 24 hours will not gain access to the Main Hospital. Access to all other buildings will require proof of negative test within the 72 hours of sampling. Please download Sehaty application to be able to access your COVID-19 test timely.

Your cooperation and strict compliance is much appreciated. Thank you.
