### **SUBJECT: COVID-19 VACCINATION FOR HOSPITAL EMPLOYEES**

In line with the availability of the COVID-19 vaccine in the Kingdom, all KFSH&RC (Gen. Org.) employees are encouraged to register for and receive the vaccine, which is currently administered only by the Ministry of Health (MOH) in designated sites.

Registration is made through the MOH's Sehthy and Anat [for healthcare personnel] mobile applications, which may be downloaded on smartphones. Following submission and evaluation of the request for vaccination, the MOH will communicate via SMS for appointment confirmation and/or other information. Kindly note that priority for vaccination will be based on the requestor's nature of work and health status.

Thank you and stay safe.
