RECEIVING DELIVERIES SAFELY

1

Wear a fabric face mask

2

Maintain a distance of 2 meters at least between you and the delivery person

3

Use credit card instead of cash

4

Avoid touching your eyes, mouth and nose with uncleaned hands

5

Dispose of bags and wraps in a closed trash bin

6

If possible wash or sanitize purchases

7

Immediately clean used surfaces with home disinfectants after disposing of bags and sanitizing purchases

8

Properly wash hands with soap and water
